

Academos Conference

PAPER TEMPLATE

ACADEMOS has teamed up with [Civil Szemle](#) and [Perspective Politice](#) journals, and all submitted papers will have the opportunity to be considered for special issues of these journals. The paper selection will imply a blind peer review process and the final decision for assigning specific papers to each journal will be made - based on the peer review reports - by the Conference Committee and the Journals Editors-in-Chiefs jointly.

For the ACADEMOS papers, the editors of the two journals have agreed the use of a common template to be used by the authors.
