

Call for Participants: *Governing for the Future: Interdisciplinary Perspectives for a Sustainable World, June 9-12 (ISI Proceedings Volume Publication)*

Organized by National School of Political Science and Public Administration, Bucharest

*Conference description*

The conference aims at debating issues relevant to global processes and the way they shape our future actions, responses and interpretations. The conference also welcomes papers with an interdisciplinary focus, highlighting solutions for sustainable development.

The proceedings of the conference will be published in an ISI indexed volume, edited by Medimond International Proceedings Publishing House.

Contributors are invited to submit a 500-words abstract outlining the argument and structure of the paper by December 18, 2015. The final version of accepted articles must be submitted by March 15, 2016. The papers will be subjected to a double blind peer review process.

The submitted works should be 6/10 pages in length (references included). For citation rules, please see the following guidelines: [http://conference.academos.ro/?page\\_id=19](http://conference.academos.ro/?page_id=19) .
